

# TEAMS rules for video sessions

These rules are to keep everyone safe

Anyone who is joining in with a session must follow the **rules** or the session will be **stopped**.

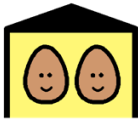

**This includes;**

Teachers / therapists / TSAs

You

People you live with

Everyone **must be dressed** to take part in a session.

This means **no** pyjamas

You should try to do TEAMS calls at a table or desk

Do **not** take TEAMS calls in bed

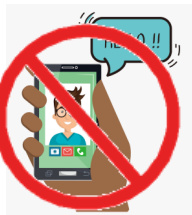

Do **not** take TEAMS calls in the bathroom

TEAMS is a learning tool so we follow the same rules as in school:

- Listen to each other
- Take turns to speak
- No swearing
- Try to be on time

(But if you are not ready for the call you don't have to answer it)

Staff will still follow Safeguarding Rules to keep everyone safe
