School and College are holding a Jubilee Garden party

PROACT-SCIPr-UK®

Dear parents and carers

POST-16
JULIET DOHERTY

Dear students, parents, carers welcome back after what I hope has been a restful and enjoyable Easter break.

We have another busy term ahead with celebrations galore, from 21st birthdays to award winning students; watch this space for more updates. We are looking forward to inviting staff, students, parents, carers and all our community friends to a **Coffee Morning** on the **20th May** so please look out for your invite. **The Cosy Corner Cafe** team are going to host a **Jubilee Garden Party** for staff and students on **27th May from 9:30 - 11:30** so we are looking forward to our Red, White, and Blue day, more information to follow. LEAP College students and staff are keen to open a **small animal care centre** so we are looking at starting with chickens and rabbits, if anyone has any coops, hutches or resources we could use to support this please do contact julietdoherty@wargravehouse.com We are very excited about our new small animal pathway.

LEAP College students have a market stall at **Earlestown Market on Friday's** so please do pop down to see them. They will be selling upcycled furniture, plants, seasonal gifts, and other items we can offer a very reasonably priced delivery service. **LEAP 1** have been completing their **first print shop order** of T Shirts for **Earlestown Cricket Club** who celebrate 140 years as a club this year, if you have any print requirements please do contact gemmasutton@wargravehouse.com for any further orders or enquiries.

Very best wishes and we look forward to meeting with you on our coffee mornings,

Juliet and the Post 16 team.

I hope our newsletter finds you all safe and well.

CEO UPDATE
ROBIN BUSH

This week, we are pleased to welcome two new members of staff to Wargrave House. **Tom Wilkinson** joins our Education Team from the Wirral as our Special Educational Needs Coordinator (SENCO) and **Kelly Redfern** joins our Clinical Services and Therapy Team from Manchester as an Occupational Therapist.

We are really looking forward to welcoming you to our forthcoming Parents Evening on Tuesday 10th May between 3:45 pm – 6:00 pm. This occasion will provide an excellent opportunity to share the progress of all our learners and students across both school and college. We appreciate some of you will take your appointments remotely, whilst others will seize the opportunity of joining us here on site and look forward to the event. There are a number of exciting activities throughout this summer term which will provide a wealth of learning experiences for our young people. These include Duke of Edinburgh expeditions, Platinum Jubilee celebrations as well as the further development of our student council and learner voice.

We look forward to providing you with further details in due course,

**Wishing you all a wonderful bank holiday weekend,
Robin**

On Monday Lakeside visited Aintree foot golf course. Some of this half term RARPA targets are, personal safety and appropriate communication.

They worked really hard working in teams and staff loved to see their competitive sides come out.

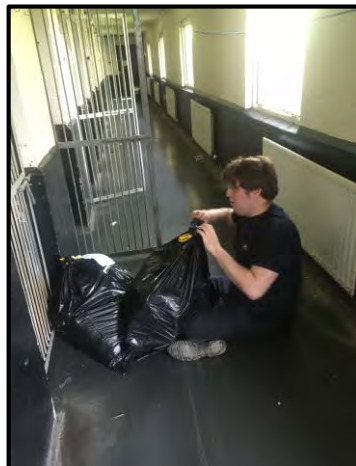

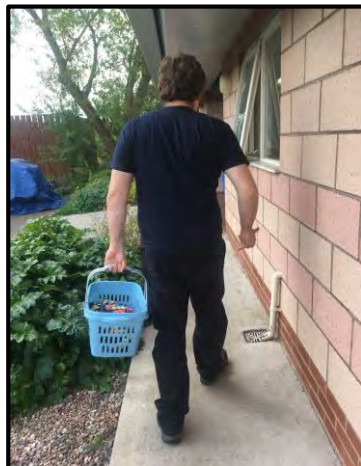

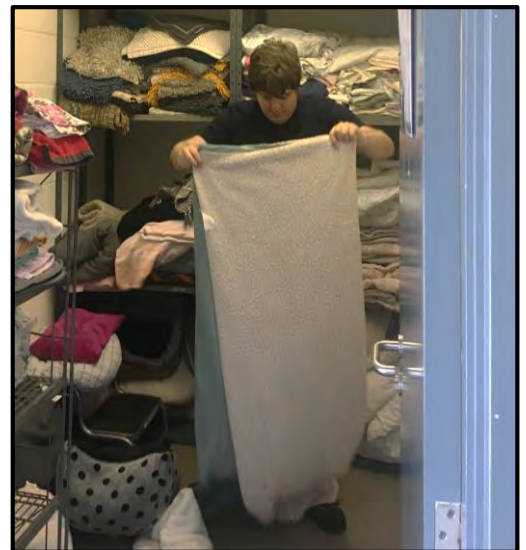

T-Shirt Printing

Ben working hard printing t-shirts for Earlestown Cricket Club's **140-year** anniversary.

LEAP 1 – Nicky at the RSPCA

Nicky has enjoyed getting back to work at the RSPCA after the Easter break. He's doing excellent work completing jobs **independently** now around the site by **sorting the donations, cleaning communal areas used by the animals and maintaining their bedding** and toys which is **essential** to their welfare. Nicky has also helped out this week with taking a dog to the paddock for a toilet break throughout the day.

LEAP 2 visited Conwy Castle and explored the castle and surrounding area. Students looked at some of the history of the castle and saw some amazing views.

LEAP 2 also visited Southport Promenade. After having some lunch at a local restaurant, we visited a small hall of mirrors for some entertainment and took a walk to the penny arcade with vintage slot machines.

WE NEED YOUR HELP!

We are delighted to announce that we have been given the opportunity to home chickens and rabbits on the premises next to LEAP College.

We are asking for community support in the form of donations, specifically a **rabbit hutch, a large chicken run/coop/enclosure, or a shed and chicken wire.**

Any assistance from the community to make this opportunity happen, consequently improving student knowledge, experience and outcomes, would be massively appreciated.

If you can help please ring the school on 01925 224899 or email: julietdoherty@wargravehouse.com
