Introduction

Wargrave House School provides a relevant and engaging careers curriculum which meets the differing needs and requirements of our learners. This is developed throughout a learner's time at the school and is always supportive of their abilities, strengths and skills.

Purpose

The purpose of this policy is to describe how Wargrave House School provides a relevant and engaging careers curriculum which meets the differing needs and requirements of our students.

This policy summarises the statutory guidance and recommendations. It also outlines the provision of careers education, work experience and provider access (please see Provider Access Policy).

Aim (s)

- To prepare learners for the transition to life after Wargrave House School
- To support learners in making informed decisions which are appropriate for them
- To provide learners with well-rounded experiences
- To develop personal characteristics such as social skills, communication, independence, flexibility and resilience
- To inspire and motivate learners to develop themselves as individuals and live as independently as is possible
- To ensure that learners develop the skills and attitudes necessary for success in adult and working life
- To make learners aware of the range of opportunities which are realistically available to them in continued education and training at 14+
- To equip learners with the necessary decision-making skills to manage those same transitions
- To develop in learners an awareness of the wide variety of education, training and careers opportunities locally, nationally and internationally
- To encourage learners to make good use of the paper-based, virtual and staff resources available to them, in order that they can make informed and appropriate choices throughout their learning journey
- To enable learners to experience the world of work and develop transferable skills, for example; independence; resilience; personal learning and thinking skills
- To ensure that wherever possible, all young people leave the school to enter employment, further education or training

- To maintain a culture of high aspirations
- To promote equality of opportunity, embrace diversity, challenge stereotypes and ensure all learners who require any extra assistance and guidance to reach their potential, such as SEND learners or learners eligible for additional funding.

Roles and Responsibilities

The Head Teacher, Deputy Head, the Curriculum/Assessment lead and Careers Leader are responsible for the delivery of the Careers Programme. The Careers Leader will oversee the curriculum planning and also provide resources that are available in school.

Teachers in Key Stage 2, 3 and 4 are responsible for agreeing the order in which activities will take place.

The Governor for Careers is responsible for meeting with the Careers Leader, to discussing strengths, areas for development, action plans and support, and reporting these to the governing body.

Policy

Statutory requirements and recommendations

The careers provision at Wargrave House School is in line with the statutory guidance developed by the Department for Education, which refers to the Education Act 1997 and 2011.

This states that all schools should provide independent careers advice and guidance from Years 8 -11 which should:

- be impartial
- include information on a range of pathways, including apprenticeships
- be adapted to the needs of the learner

Schools are free to make arrangements for careers guidance which best suit the needs of their learners, engaging where appropriate with independent providers.

Wargrave House School has developed its own arrangements for providing impartial careers advice and guidance may continue to do so as long as it is ensured that learners have access to a source of guidance which is independent and external to the school. This may include website or telephone helpline access and/or face to face support from a specialist

provider where needed. MS Teams will also play a significant role in this careers advice.

In addition, the school is compliant with the careers guidance that the government set out for delivery from 5 January 2018: 'Careers Guidance and Inspiration for young people in schools.' This states that all schools must give education and training providers the opportunity to talk to learners about approved technical qualifications and apprenticeships. (see Provider access policy)

This will be discussed at annual reviews/key transition stages with parents/learners and local authorities to ensure access to information on providers and opportunities in their local area.

At each point where we deal with learners leaving the school, we strive to ensure that they are purposefully provisioned in terms of advice and guidance. This includes information and support regarding apprenticeships, employment/internships or re-commencement of study with another provider.

Procedure

Wargrave House School is committed to providing all learners in Primary and Secondary with a programme of careers and related activities. The details of the programme will be published on the school website and can be viewed by learners, parents and carers as well as employers, partners and education/careers providers.

The programme is guided by the Gatsby Benchmarks for ensuring best practice. In addition, to ensure Wargrave House School is delivering the best possible careers guidance. **We are currently working towards the Quality in Careers Standard.** This is in accordance with the Government's recommendation that "all schools should work towards a quality award for careers education, information, advice and guidance as an effective means of carrying out a self-review and evaluation of the school's programme." And as advocated by the Department for Education in their 'Careers Guidance and Inspiration in Schools' policy issued in March 2015.

Careers Programme

The programme is delivered through a combination of methods including distinct career sessions from Key Stages 2-4.

Throughout main school the programme is also supported through assemblies, lessons, presentations, employer visits, independent work

experience, workshops, careers fairs and 1:1 impartial and independent guidance.

Wargrave House School endeavours to be involved in a wide variety of events such as Provider Days, Career Fairs, National Careers Week, National Apprenticeship Week, My Money Week- Young Enterprise and Young Money.

All learners have access to the following:

- Careers, IEP and PSHE sessions are a fundamental aspect of the Wargrave House School curriculum to prepare learners for their life after school
- Visitors in to school and offsite visits support learners in developing their understanding of a range of different post 16 pathways.

- Learners in Year 11 undertake Work Experience and work based placements and opportunities.

The overall organisation of work experience is undertaken by the Careers leader who liaises with the class teams to ensure the most relevant and engaging opportunities are taken.

Families are informed and communicated with throughout the process and a work experience agreement form and work experience information form are completed.

All students on placement are covered by the employers' insurance and places of work are risk assessed by the Estates Manager in liaison with the Careers Leader.

Independent Careers Service

Wargrave House School guarantees impartial and independent advice via:

- An independent Careers Adviser who attends the organisation as agreed by a service level agreement. Appointments can be through learner referral, teacher referral and parent referral where necessary.

Wargrave House School provides independent careers advice as outlined in section 29 of the Education Act 2011. Independent Careers guidance must:

- Be presented in an impartial manner
- Feature information on the range of education or training options, including apprenticeships and other vocational pathways
- Promote the best interests of the students to whom it is given
- Promote the National Careers Service Website and Helpline
- Promote independent websites relevant to all career needs, from choosing a university or apprenticeship to pursuing a career

- Access to relevant external speakers offering independent sources of information including local and national employers, representatives from professional bodies and organisations including, representatives of higher education establishments and former students, who are a valuable resource.

There is a Careers Leader with responsibility for Careers education. All staff have a part to play in the implementation of this policy through their role as teachers/teaching support assistants and as subject specialists

Throughout KS2, 3 and 4, independent learning providers and local colleges, will be invited to attend Wargrave House School, in order to have the opportunity to speak to students/parents/carers/staff. If the organisation cannot attend, then representation will be visible at events in order to advertise local opportunities. Wargrave House School has published a policy statement on provider access and this is published on the website.

Partnerships

The Careers Leader programme is greatly enhanced through links with several partners who ensure the learners' curriculum is up to date and relevant. We strive constantly to expand and improve links with employers and other local groups, including the Career Connect.

Parental involvement is encouraged at all stages.

Links with the Local Authority

The Local Authority has a duty under section 68 of the Education and Skills Act 2008 to encourage, enable and assist the participation of young people in education or training.

- To promote the effective participation in education and training of young people covered by the duty to participate
- To have in place arrangements to identify those who are not participating

Policy Impact

We have a rolling programme for reviewing our Company policies. We regularly review the impact of our policies on the needs, entitlements and outcomes for learners, service users, staff and parents.
